

A time to thank the PJNH reviewers of 2017

Peer review is the foundation of any journal, providing a trusted form of scientific communication. In this issue of *PJNH*, we publish, with our sincere thanks, the names of all peer reviewers who completed manuscript reviews for *PJNH* in

2017. These peer reviewers have been instrumental in maintaining and enhancing the clinical relevance and scientific quality of articles published in *PJNH*. Because of that, we owe these individuals our thanks.

Albert Ortiz (<i>Madrid, Spain</i>)	Jesus Garrido (<i>Viseu, Portugal</i>)
